As school starts again, be sure you have your most important school supply: a library card! September is National Library Card Sign-up Month, and we want everyone in town to be registered. You may not know about the great services available with this free card. Check out books, of course, but also stream movies, listen to music, come to a program or kids' story time, and read an eBook or magazine!

Sign up is easy. Just present current photo ID with your Verona address (or photo ID plus a current month's utility bill or other official mail). It just takes a few minutes!

Please join us in welcoming new Library Director, Claudine Pascale!
