**PRESENTED BY THE DIRECTOR: ALICE'S ORDINARY PEOPLE**

*Alice's Ordinary People* is a documentary about Alice Tregay, an unsung heroine of the Civil Rights Movement. Her remarkable story spans the historic period from the marches of Dr. King to the election of Barack Obama. Alice’s great contribution in the field of politics is the thread which connects the two. Director Craig Dudnick introduces the situation in Chicago that lead Alice to join the movement and tells how he came to make the film. Discussion to follow after the screening.
